

HOUSE RULES

SAFETY INSTRUCTIONS

FIRE

- Stay calm
 - If possible: put out a fire with a fire extinguisher or blanket!
- Use of a fire blanket:
Fire blankets are used for small, starting fires and for extinguishing a person on fire. Do NOT use a fire blanket for putting out a deep-fryer fire.
- Warn fellow occupants and neighbours, close windows and doors and leave the property
 - Call the emergency number **112**
 - Report: name, telephone number, location and extent of fire

ACCIDENT

- Stay calm and reassure the victim
- Call 0900-8844 and in life threatening situations **112**
- Report: name, telephone number, location, type of accident and number of victims
- Stay with the victim until the emergency medical services arrive
- Follow any instructions given by the emergency responder

EVACUATION

- Stay calm
- Follow the instructions of the emergency services
- If applicable: use the indicated escape route
- Gather, if possible, outside in the front of the building
- Please contact STYL Housing and wait for more instructions

DISASTER

- Stay calm
- Call 0900-8844 and in life threatening situations **112**
- Report: name, telephone number, location and type of disaster
- Follow the instructions
- Please contact STYL Housing and wait for more instructions.
